PLACES^{OF THE}
BAY AREA

Places of the Bay Area is a Bay Area-wide initiative to inspire residents in creating and sharing stories about the various places in our lives. Place stories are an everyday take on your experiences with places of the Bay Area--focused on personal connections to the place we call home.

Your Place Story: Write about a place that touches, inspires, or connects with you. Your focus should be on emotion, expression, uniqueness, and connection. We have included some example prompts below, but feel free to be creative!

A Few Guidelines:

- The Bay Area place you write about can exist today or have existed in the past
- Maximum 500 words (poetry, prose, etc. welcomed!)
- If at all possible, at least 1 image: a photograph, drawing, or other image (maximum 5)

Place Story Prompts to Consider:

- The place where I fell in love.
- The place I go to get inspired.
- The place where I feel most at home.
- The place that I want to change for the better.
- The place that makes me think - I love you, Bay Area - every time.

Add your place story now on the back of this page, or at your convenience by email to vinitag@dabag.ca.gov!
