Plan Bay Area 2025 Amendment: Sonoma-Marin Rail Transit to Healdsburg

As a resident of Petaluma, I enjoy the opportunities the SMART train provides for alternative transportation. My destinations have included ball games in San Francisco (by ferry connection), shopping and dinner in San Rafael, visits to a Kaiser medical facility on Third Street, north to Santa Rosa and also to the Sonoma County airport (via last-mile SMART shuttle). The proximity of the Petaluma North Station to Lagunitas Brewery will no doubt be enjoyed by many.

I hope to enjoy trips on SMART to Healdsburg soon, if for no other reason than to enjoy music on the plaza, visits to wineries and a ball game with the Prune Packers. Thank you for inviting comments.
