

Correspondence on Draft Plan Bay Area 2050 Amendment

Name: Jody Williams

Date Received: 9/11/24

Comment:

Please, please include Cloverdale in the 2050 Plan! I have lived in Mendocino County for over 40 years and when I saw the construction begin (and be completed) of the RR stations on the edge of Cloverdale, I was so excited! At last an alternative to the long drive to SF! I grew old waiting for the train...and now I learn the darling stations are not included in your plan. Please include Cloverdale in your plan.
